Dear Boys & Girls Clubs of Oakland Alumnus:

Momentum is building and will culminate in a successful **Alumni Reunion Celebration on Saturday, November 13, 2010** from 7:00PM to 12:00 AM at the Anna Marie Whalen Branch located at 3300 High Street Oakland, California. Our steering committee (all former members and participants), has outdone itself in an effort to present a fantastic event featuring our Alumni past, present and future.

Our goal is to assist our Club (now the Boys & Girls Club) to inspire and enable the youth they serve. As you will recall, Boys & Girls Clubs of Oakland provides a safe place for kids and a full range of services including tutoring, social activities, guidance, mentoring opportunities, health education, recreation, fitness, cultural activities, and so much more.

The program for the evening features great hors d'oeuvres, entertainment, a presentation by current Boys & Girls Club members, and an opportunity to tour the Clubhouse. Of course we can also participate in games and activities. In addition we will have brief remarks from a few guest speakers representing past, present and future Alumni. For the small price of \$25.00, you won't want to miss out.

Next year our organization will celebrate its 70th Anniversary of providing fun and purposeful services to the disadvantaged youth of the City of Oakland. When I think about "what If" I didn't have the support of this organization to help me when I was growing up, I have to wonder where I'd be today?

This is why we are introducing ourselves with a statement about what we are planning, and why we should connect with each other to offer our support to Boys & Girls Clubs of Oakland. Remember—The Club was there for us, now we must be there for the Club.

We would greatly appreciate your support of this event. Please be on the lookout for an invitation and information on how to sponsor the event. In the mean time, please feel free to contact the Club at (510) 444-8211 to reserve your space and to put us in touch with others who went to the Club back in the day.

Sincerely,

Harvey Lewis
Chairman, Alumni Reunion Steering Committee
