

**BOYS & GIRLS CLUBS  
OF OAKLAND**

# BOOSTER CLUB Scholarship Program

## RAFE TAYLOR, JR. Scholarship

**\$1,000**

The award will be a \$1,000 scholarship for a young man and a \$1,000 scholarship for a young woman. The scholarships are renewable annually, provided funding is available.

### Qualifications:

- Must be an active member in good standing of the Boys & Girls Clubs of Oakland.
- Must be a senior enrolled in a public or private high school or be currently enrolled in a college program.
- Must have earned a minimum GPA of 2.5 during grades 9-12 or a college program, and demonstrate promise of continued academic achievement.
- Must enroll in a full-time college program, a 4-year college, a community college, or a trade/technical school.

## HAROLD LOGWOOD, SR. Scholarship

**\$1,000**

The award will be a \$1,000 scholarship and is renewable, provided funding is available. To qualify, the applicant must be a member in good standing with Boys & Girls Clubs of Oakland **Meltzer Clubhouse**. Mr. Logwood was a passionate and generous supporter of the Meltzer Clubhouse and its programs; hence, the requirement that the applicant be a member of the Meltzer Branch.

### Qualifications:

- Must be a senior enrolled in a public or private high school or be currently enrolled in a college program
- Must have earned a minimum cumulative GPA of 2.5 during grades 9-12 or college program, and demonstrate promise of continued academic achievement.
- Must enroll in a full-time college program.

## MARION F. SIMS Scholarship

**\$1,000**

This program is designed for the student who is interested in attending a community college with a future goal of working in one of the following fields: working with young people, coaching in the athletic or recreation field, sports medicine, etc. The award will be a \$1,000 scholarship and is renewable annually, provided funding is available.

### Qualifications:

- Must be a senior enrolled in a public or private high school or be currently enrolled in a college program
- Must have earned a minimum cumulative GPA of 2.5 during grades 9-12 or college program, and demonstrate promise of continued academic achievement.
- Must enroll in a full-time college program.
